

Vacating & Cleaning Checklist

To avoid cleaning charges and unnecessary deductions from your bond, we have put together the checklist over the page as a guide. The property must be returned in the same condition as it was received at the commencement of the tenancy, taking into consideration fair wear and tear. Having the property ready to inspect will assist in a speedy return of your bond.

- Make sure your rent is paid to your vacating date. All outstanding rent and invoices are paid prior to moving out.
- Return all keys (including extras cut during the tenancy), swipes, car park remote, air conditioner/dishwasher remote controls, owner's manual (USB or hard copy), key handover box by **4pm** on your vacate date (Rent will be charged until all keys are handed back to our office).
- Thoroughly clean the Premises and steam clean all carpeted area.
- Arrange for your mail to be directed.
- Disconnect the electricity (2 days after vacate date) / gas / electricity / water – advise the companies of your lease end date and arrange for final readings.
- Replace all blown light bulbs prior to vacating.

Please note the following:

- To speed up the vacate process and bond refund, please make sure you have completed all your contractual obligations as per your Residential Tenancy Lease Agreement.
- KIN Real Estate will allow 24 hours for all items that require attention after the final inspection has been carried out. After this, a professional cleaner/trades person will be arranged, and the costs deducted from your bond.
- Any further time required may incur a daily rate of compensation on behalf of the lessor.
- Payment is to be made to the tradesman directly if required and cannot be deducted from your rental bond.
